

Recruitment

The trial is now at 23 participants, with March matching February for our top recruiting months!

Congratulations to:

Phil Riley and the team at Manchester for recruiting their first participant.

Muthana Al Obaidi and the team at GOSH for recruiting 2 participants in March.

Dan Hawley and the team at Sheffield for recruiting their first participant.

Louise Walker and the team at Gloucestershire for recruiting their first participant.

Site Engagement Meetings 2025

April: Tuesday 8th - 12:00-12:45

These are drop-in sessions **for all**—with trial management and the CI - to answer queries, talk about recruitment and share best practice. Drop-in when you can!

Reminders

Screening logs—please ensure that you are completing screening logs for all potential participants—we are using the logs to monitor any barriers to recruitment so it is vitally important that we capture this information. Any participant that you approach will need to be captured on the log.

Data Queries—please ensure that you are logging into REDCap regularly to resolve any queries that are raised there.

Consents—please send all consent forms securely to lctc_consents@liverpool.ac.uk within 7 days following

Important Information

Biobank sample kit postage — Quick reminder to avoid taking/ sending samples on a Friday. This can cause a delay in transit time which affects the viability of the samples. You can take the biobank samples at any other timepoint.
